Ms. Parrott,

Please find attached a revised copy the requested information on PSU-ARL Proposal #27025 dated 26 Feb 2019. I was contacted last Thursday that buried in the proposal was a "wage R&D Engineer" that was stuck under the "Salary-Wage Payroll category, and subsequently was left off of the list of employees they supplied to me.

On the revised copy, I highlighted salary that was left off in YELLOW, so you would not miss it.

Sorry for any inconvenience this may have caused for you.

If you have any further questions, please do not hesitate to reach out to us. And I hope you have a blessed day!!!
